To The Secretary to the Government of Madras,
LAW AND EDUCATION Department.

Sir,

In submitting herewith letter R.O.C.No.927/27 dated December 1927 from the President,Taluk Board,Mangalore, regarding the training of teachers in spinning, I have the honour to state as follows

2. Government have permitted the teaching of spinning by itself, but it is not obligatory on the part of any Taluk Board to introduce spinning in Elementary Schools. If recognised schools for the teaching of spinning do not exist the Taluk Board could have decided not to introduce spinning. If the Taluk Board is so very anxious to introduce spinning, it may well meet the expenses of training from its general funds.

(P.T.O)

p 5 supra (2)

3. Moreover the Taluk Board's resolution No.8 dated 30-11-27 is not accurate. G.O.No.2059 Law (Education) dated 27-10-27 did not decline to sanction the expenditure incurred but refused to allow its debit to the Elementary Education Fund which is a different thing. Again as to the reasons, there is no necessary connection between the removal of the ban by Government on the teaching of spinning in Elementary schools and the debit of training to the Elementary Education Fund. It is quite true that "to introduce the same without proper trained teachers" is a mere waste of money but it does not follow that the debit for such training should be to the Elementary Education Fund. I see no reason why the orders already passed by Government should be reconsidered.

I have the honour to be,

Sir,

Your most obedient servant,

The Director of Public Instruction, Madras.

Sir,

(L) Adverting G.O. No Mis 2059 Law (Education) dated 27th October 1927, I have the honour to submit as follows :-

(J) 2. Government having in their order No Mis 524 Law (Education) dated 6th April 1927 allowed the teaching of spinning by itself in Elementary schools for not more than four hours a week during school hours, my Taluk Board --- proposed to introduce the same in the Elementary schools. I need not represent to Government that without proper trained teachers it will be mere waste of funds to introduce the same. There being no other training centre in the

District, my Board had no other alternative except to have - recourse to the Nileshwar spinning centre and the teachers were deputed accordingly. When the Government had removed the restriction in the matter of teaching of spinning, it was -- considered that there would be no restriction to the under--- going training at the least cost. I, therefore, request that Government may, in the above circumstances, be pleased to --- reconsider the order already passed and allow to debit to the Elementary Education Fund the charges incurred already in the matter. In case the Government are not still in favour of the same, the charges will have to be debited to General Funds.

I have the honour to be,

Sir,

Your most obedient servant

President

(J) 8. Read G.O. No 2059, dated 27th October 1927, declining to sanction the expenditure of Rs 52/- incurred by this Board, for the training of two teachers in spinning.

President is authorised to address Government again, as Government have removed the objection for teaching of spinning in Elementary schools and since to introduce the same without proper trained teachers is a mere waste of money and as Nileshwar spinning centre is the only place where such a proper training can be had, the amount spent from Education Fund Government may be pleased to allow to debit to the Education fund only and in case Government still not in favour the same may be debited to General Fund.

Expenditure on training of teachers in Spinning - debit to Ed fund: Mangalore Tk Bd.

[C.M. to 20A] From the DPO. RC No. 108B/28, D/28-1-28

(7) In G.O. No. 2059, Local (Edn), D/27.10.27, ~~Location Board~~ Re: proposal of the Taluk Board, Mangalore, to debit to the Ed. fund the expenditure of Rs. 521- incurred in connection with the training of two elementary school teachers in Spinning was vetoed, mainly on the ground that the institution in which the teachers were trained was an unrecognised one. — vide DPI's letter on pages 5-6 of the G.O. The taluk board now represents that on account of the absence of any recognised training institution in the South Kanara Dt. it had to depute the teachers to the Nileshwar Spinning Centre which was apparently the nearest centre and requests that the orders in G.O. No. 2059, D/27.10.27, may be reconsidered. The Director's arguments in his letter on pages 1-2 of do not appear to be sound. As instruction in Spinning in elementary schools has been ~~sanctioned~~ permitted in the rules under the Ed Act

Rule on page 6 of file

(J)

Act ~~[illegible]~~ the debit of the expenditure in question to the E.E. fund may also be allowed. In view, however, of the D.P.I's objection on the ground that the institution in which the teachers were trained is not a recognised one, the taluk board may be allowed to debit the ~~E~~ expenditure to its general funds in consultation with the L.S.G. Dept.

The file may be sent to the L.S.G. Dept. for remarks.

7.2.28.

I quite agree with the President. He sent the teachers to the place where Spinning is to be taught & is taught well. No such institution exists there such training is given. The question of expenditure is legitimate & the proper debit of the cost is to the E.E. fund as the Spinning is for elementary schools. The D.P.I's letter may please be treated as forwarding.

8/2/28

I think the cost ought be debited to the E.E. fund as pointed out by the Secy,

8

as the rules have been altered to allow the teaching staff, and if necessary to have a well trained teacher, and to ~~p~~ send the teachers to the institution which is capable of giving them the right training.
